

Evolving Horizons *Publication Policy and Guidelines for Authors*

The Evolving Horizons is a peer reviewed journal in the field of Education, Humanities, Social and Behavioural Sciences published annually by the Satyapriya Roy College of Education governed by the following publication policy and guidelines for authors to submit their manuscripts.

1. Authors are requested to strictly follow the publication policy and guidelines published in each issue of the journal on the month of November every year and available also in www.sprcejjournal.ac.in
2. An Advisory Board always gives suggestions for the development of the publications and other technical activities.
3. An Editorial Board assists the Editor in bringing out the journal namely Evolving Horizons.
4. The Journal consists of research papers and review papers in various disciplines
5. Manuscripts are accepted with the understanding that they have not been published and are not being considered for publishing elsewhere.
6. The manuscripts submitted by the authors are sent to the Peer Review Committee and reviewed on the basis of Double Blind Review System
7. Authors must submit the Copy Right Transfer cum declaration regarding the originality of the papers available in www.sprcejjournal.ac.in
8. The MS word version of the Manuscripts must be submitted online and preferably within 3000 words, typed with 1.5 space (with British spellings) and addressed to the Editor of Evolving Horizons via email at the address (es) given below: dkksrcl@yahoo.co.in / srcp.principal@gmail.com
9. The respective issue of Evolving Horizons will be provided to the author (After paying the processing fees as indicated from time to time)
10. The papers of each issue can be downloaded through access to the journal website as mentioned above
11. Manuscripts must be submitted with a separate Title page containing the Title of the paper, author(s)'s name(s), affiliation, address with PIN, email id and contact number.
12. The title should be concise and informative. Any quotation, abbreviation and ambiguous phrases should be avoided unless absolutely necessary.
13. The Abstract should consist of Purpose, Methodology/Design, Findings and Originality/ Conclusion of the paper. The abstract should be within 250 words
14. The Keywords within Seven words should be incorporated which will indicate the principal subjects covered by the paper and placed immediately after the abstract.
15. Sectional Headings, Sub-headings, sub sub-headings should be placed properly also are to be numbered with decimal subdivisions. For Example: 2, 2.1, 2.1.1, etc
16. Main section headings should be in Roman lower case, except the first letter.
17. The sub-headings should be in italics lower case, except the first letter.
18. The tables within the main text body of the paper, if any, should include Caption and be given number consecutively.
19. Notes should appear at the end of the text, before the references. Footnotes are not permitted. Each endnote must contain more than just one reference.
20. All references must be cited in the text or endnotes and must follow the APA style of referencing in the text. For Example: (Chomsky, 2010,p. 27) or (Halliday,2010,pp. 56-57).
21. The bibliographical references must be presented at the end of the articles with the style and standard as mentioned here.
